

# Querfeldein von Freunden festival für Freunde

Querfeldein that means two days Open-Air Festival  
in a gentle atmosphere  
with various acts placed on two stages.  
Each year anew a little bit different.

Music, poetry & cabaret, handicraft DIY, watherslide,  
delicious Catering, Chill area, Kicker, swimming lake  
and love in the air

it is a proper place to be  
for families as well!  
So bring your kids along!

we offer to you:

professionelle technical equipment,  
placed on a unique stage!

our technical support is delivered by totalrent and TSE AG.

All matters that are related to the backline we do provide, we are going to deal with  
short time before the event takes place. Also if you are interested in arranging the light  
+ videoshow . The stage will be yours for 45 - 90 minutes.

Of course yours are welcome to offer your CD + merchandise-goods.

The Querfeldein has a non-commercial character. In this spirit we don't demand for  
enterance-fee and don't run with marketing-sponsoring. Brainchild remains to be  
the idea of creating a nice, inspiring gathering in the countryside, aside from  
profitable forces.

"made by friends, devoted to friends" !

The revenues we draw from donations will proportionally be paid out to yours (of  
course less our costs for technics, rent, toilettes, etc). Unfortunately that implies  
as well, that we can't guarantee a dumping of the winnings.

We provide catering for you and you will receive vouchers at the show-day.

Moreover we offer breakfast.

You have to organize on your own your arrival/ departure and tent/ housing.

Of course we can give aid to those affairs.

The festival takes place in Kuhlhausen OT Havelberg. Approximately 100 km westwardly  
of Berlin . You won't have difficulties in finding the place.
